Sub: Extension of approval to Adhityamaan College of Engineering, MGR Nagar, Hosur, Krishnagiri Dist - 635 109 for the year 2005-06-reg.

Sir/ Madam,

As you are aware, **All India Council for Technical Education** has been mandated under the AICTE Act, 1987 to ensure **maintenance of norms and standards** with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that **quality of courses** is not compromised and stakeholders are satisfied. The Council also undertakes an **annual Inspection** of the institutions and conveys deficiencies to them for **rectification**.

It has been observed however that notwithstanding the Council's **repeated advice** to comply with minimum norms and standards, many institutions continue to be **complacent** about taking steps to remedy the deficiencies.

Such institutions suffer from **critical deficiencies** of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following **holistic appraisal** during inspections, have also pointed out severe shortcomings

The institution has been found to be suffering from certain deficiencies, which are listed in Annexure-A for your perusal. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc.) could have rendered your institution liable for punitive action including being placed in no admission/ reduced intake category. Course-wise approved intake in respect of **Adhityamaan College of Engineering,, MGR Nagar, Hosur, Krishnagiri Dist - 635 109**, for the year 2005-06 is as under: -

COURSE (S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
Bio Medical Engineering	30	30
Bio Technology	30	30
Chemical Engineering	30	30
Civil Engineering	60	60
Computer Science & Engg	75	75
Electrical & Electronics Engg	60	60
Electronics & Comm. Engg	120	120
Information Technology	30	30
Instrumentation & Control Engg.	45	45
M.E-Computer Aided and Design	18	18
M.E-Computer Science & Engineering	0	18
M.E.-Communication Systems	0	18
M.E.Environmental Engineering	18	0
MBA (FT) Standalone	60	60
MBA (PT) Standalone	60	60
MCA (FT) Standalone	60	60
Mechanical Engineering	120	120
Production Engineering	45	45
Total	861	879

The above approval is subject to your rectification of deficiencies latest by August end, 2005. A compliance report indicating rectification of deficiencies and details of faculty recruited for each course must be received by the Council, with a copy to concerned Regional Officer latest by **31st August, 2005** to entitle your institution for **extension of approval** for the year **2006-07**.

The compliance report must be accompanied with a **visiting/processing fee as** prescribed by the Council in the form of demand draft in favour of **Member Secretary, AICTE payable at New Delhi** In the absence of the processing/visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council would verify the status in respect of rectification of deficiencies through physical inspection without any prior intimation. The institution should therefore be prepared for random inspection without any prior notice. Extension of approval for the year 2006-07 shall be dependent on the compliance report and the outcome of the surprise inspection.
