DEPARTMENT OF
COMPUTER SCIENCE
AND ENGINEERING
(NBA ACCREDITED)

ABOUT US

The department of Computer Science and Engineering was established during the inception of the institution in the year 1991 to produce competent and quality professionals in the field of CSE. The department offers B.E (CSE) programme with an intake of 180 students and also M.E (CSE). The department has been recognized as R & D centre by Anna University, Chennai for pursuing Ph.D. The curricula and the syllabi of the program have been designed to cater the ever-changing needs and demands of the IT industry,. MoU has been signed with various leading industries like Infosys, IBM, CTS, etc for industry-institute interaction. Apart from curricula various events like Symposium, Hackathons, and Workshops are organized to enhance the student's co-curricular skills and to bridge the academia-industry gap. Active Placement & Training cell functions with enthusiasm to place students in top-notch companies.

VISION

- To mould young and fresh mind into challenging professionals with ethical values and shaping them with contemporary skills to contribute fully in current and world future demands.

MISSION

- To produce competent and quality professionals by imparting computer concepts and techniques and a zest for higher studies.
- To facilities the students to work with modern tools, inventive technologies and innovative research capabilities.
- To build leadership qualities in the students by including the spirit of ethical values.

SALIENT FEATURES

- Accredited by NBA, New Delhi
- Cutting Edge Curriculum includes Artificial Intelligence, Machine Learning, Block Chain Technologies etc.,
- Outcome Based Education (OBE) Excellent Computer Laboratory with Latest Software and 500Mbps internet speed
- Well Stocked Library and DELNET facility
- Well qualified and experienced Faculties
- Collaboration with Leading industries
- Value added courses, Hands on Training on emerging technologies
- 100% Placement in industries like TCS,Cognizant, Tech Mahindra, Wipro, Capgemini, Infosys, L&T, HTC etc.
- Students' Chapter like CSI, IE(I), ISTE to provide a platform for research and innovation
- Motherly care for slow learners
- Mentor Mentee management system

ADD ON FEATURE

- Workshop to learn current trends
- Internship programs
- Placement Training
- Digital Library
- Industrial Visits

PROGRAMME OFFERED

- B.E - Computer Science and Engineering
- M.E - Computer Science and Engineering
- Ph.D - Research Center approved by Anna University

HIGHLIGHTS OF THE DEPARTMENT

- Established in 1991 (32-Years of Excellence)
- Accredited by NBA
- Association with IBM for PBEL Choice Based Credit System (CBCS)
- Innovative and Outcome based teaching-learning process
- Highly qualified & Experienced faculty
- Academic collaboration with industries
- ICT Enabled classrooms
- Wi-Fi classrooms
- State of art laboratories
- Well-equipped digital library
- Good placement record in reputed
- industries
- Opportunities for internship /training in reputed IT industries

HIGHLIGHTS OF THE DEPARTMENT

SEMINARS

INTERNAL HACKATHON

WORKSHOPS

ALUMNI TESTIMONY

Mr. G. Vignesh
Product Owner – Financial Crime, Commercial & Corporate Banking, Cognizant, London, UK (2006-2010)

Mr. M. Lokesh
Software Engineering Manager, Charles Schwab
Austin, Texas, US (2007-2011)

Mr. M. Vineeth
Business development Manager
Oracle Apps
Doha, Qatar (2008-2012)

In today's era of Information Technology, Computer Science plays a vital role in shaping human life. The Department of Computer Science and Engineering at ACE, established in 1991, has a yearly intake of 180 students for the B.E. program and 12 students for the M.E. program.

We aim to equip students with innovative tools and practical knowledge that extend beyond academic learning, preparing them for both professional and personal growth. Our mission is to nurture skilled technocrats and socially responsible individuals who contribute meaningfully to the industry and society.

The B.E. Computer Science and Engineering program is supported by a proficient team of faculty members with expertise in diverse fields, alongside advanced laboratories and modern smart classrooms. To complement the academic curriculum, the department organizes regular guest lectures, technical workshops, and interactive sessions through associations like CSI, ISTE, IE(I), and ICT Academy Student Chapters. These activities enhance students' understanding and keep them aligned with evolving industry practices.

The Placement Cell is dedicated to preparing students for successful careers by securing opportunities in leading organizations. The department consistently achieves excellence in academics, placements, research, consultancy, continuing education initiatives, industry collaborations, and scholarly contributions from faculty and postgraduate students.

With a placement success rate of approximately 90%, our students secure roles in renowned multinational companies. Additionally, they are actively encouraged to engage in co-curricular and extracurricular activities, such as technical paper presentations, sports, and cultural events, ensuring their holistic development.
