

ADHIYAMAAN COLLEGE OF ENGINEERING (AUTONOMOUS)

Approved by AICTE and Affiliated to Anna University, Chennai
Accredited by NBA, NAAC and UGC, NEW DELHI,
Dr.M.G.R Nagar, Hosur-635130

DEPARTMENT OF BIOMEDICAL ENGINEERING

TECHNICAL EXPERTISE TO HEALTHCARE CHALLENGES

ADMISSION OPEN FOR 2026-27

COUNSELLING CODE : 2601

About the department :

- Started in the year 2003-2004 .
- Inter-disciplinary in nature .
- Ample scope for students to study the Human System through electronics.

Vision :

- To produce competent and creative Biomedical Engineers who anticipate change, communicate and work with others effectively in a globally connected society.

Mission :

- To pursue excellence in Biomedical Engineering by integrating engineering and medicine through education research and innovation.
- To facilitate the students by introducing technologies for uplifting the society with global standards.
- To nurture student's skill and leadership qualities by inculcating ethical values.

Highlights of our department :

- 23 years of academic excellence.
- Curriculum focusing on Industry 4.0.
- Exposure for experimental learning.
- Skill development courses.
- Improves human health by applying engineering concepts.
- Consistency in placement.

Discover why our department stands out :

- Hands-On Learning: Offers practical training with cutting-edge technologies and state-of-the-art labs.
- Career Diversity: Opens doors to roles in research, healthcare, academia, and the medical device industry.
- Interdisciplinary Excellence: Combines biology, medicine, and engineering to create advanced medical solutions.
