Department of Biomedical Engineering

DEPARTMENT ADVISORY BOARD (DAB)

Date: 22.06.2023

There is a need to enhance the quality of technical education, develop graduates who are globally-competitive and provide opportunities for advanced research in the engineering sciences. To accomplish these objectives, it is prudent to constitute a committee consisting of Head of the Department, Faculty members, expert from industries and alumni. Accordingly, a committee named 'Department Advisory Board' has been constituted.

The Department Advisory Boarded will be headed by the Head of the Department / Program Coordinator, faculty members and other domain experts.

The responsibilities of DAB are as follows:

- Framing the Vision and Mission of the department.
- Framing/redefining of Programme Educational Objectives (PEOs), Course Outcomes (COs) and Programme Outcomes (POs).
- To receive the report from the Programme Assessment Committee and monitor the progress of the Programme on current and future issues related to Programme.
- To define and recommend new or revised courses relevant to recent trends /technologies.
- Provide suggestion to Board of Studies for inclusion/elimination of courses and contents.
- To provide suggestions for continuous improvement of departmental activities.

List of Department Advisory Board(DAB) members
