Agenda No. 27.11

Comments and Suggestions by the Academic Council Members

The Academic Council members appreciated the comprehensive presentation and offered the following suggestions for further strengthening academic planning and curriculum development:

1. **Anna University Nominees** suggested that future Academic Council presentations should include more **data-driven and outcome-based information**, particularly on:
 - Industry-embedded courses,
 - SWAYAM/NPTEL/Coursera enrolment and certification statistics,
 - Student participation and completion rates, and
 - Impact of these initiatives on employability and academic performance.

2. The Council recommended including a dedicated section highlighting **faculty academic achievements and recognitions**, such as:
 - FDPs and international training programmes attended,
 - Research publications and patents,
 - Consultancy and funded projects,
 - Professional certifications, awards, and recognitions,
 - Contributions towards curriculum development and academic excellence.
3. The members advised the Institution to strengthen **global academic initiatives** by incorporating:
 - International collaborations and partnerships,
 - Student and faculty exchange programmes,
 - Joint certification programmes,
 - Global online learning opportunities,
 - International internships, and
 - Curriculum benchmarking with globally reputed universities to enrich the curriculum further.
4. The **Industry Expert** emphasized the need to align academic programmes with the evolving requirements of the **Hosur industrial ecosystem**. It was suggested that greater emphasis be placed on curriculum development, skill enhancement, and specialized training in the following areas:
 - Tool Engineering,
 - Industrial Engineering,
 - Logistics and Supply Chain Management,
 - Manufacturing Automation,
 - Industry 4.0 technologies, and
 - Advanced Manufacturing Systems,

to bridge the existing industry skill gap and enhance graduate employability.

Action Taken

The Academic Council appreciated the valuable suggestions and recommended that the Institution incorporate these recommendations into future curriculum revisions, academic planning, and subsequent Academic Council presentations. The Principal assured the members that the suggestions would be considered during the next cycle of curriculum enrichment and institutional quality enhancement initiatives.

Agenda No. 27.12
