LIBRARY ADVISORY COMMITTEE
Academic Year 2025-2026

To bring continuous improvement, Library Advisory Committee (LAC) has been formed. The committee develops and recommends new or revised goals and objectives of the program. The committee also reviews and analyses the gap between curriculum and industry requirement and gives necessary feedback or advice actions. The LAC consists of chairman, Dean academics, All HoDs, Senior faculty member nominees, Students, Alumni, Industry Expert, and Academicians from other institutions.

Composition of LAC

The following members are nominated and approved for constitution of Library Advisory Board (LAB) for the academic year 2025 – 2026.

The roles and responsibilities of a Library Advisory Committee:

- **Policy Recommendations:** Advising the library on policies related to collection development, resource allocation, services, and facilities.
- **Strategic Planning:** Contributing to the library's strategic planning process, aligning with the institution's overall goals.
- **Budgetary Input:** Providing input on budget preparation and allocation for library resources and services.
- **Communication:** Facilitating communication between the library and its users (faculty, students, staff).
- **Support:** Supporting the library's mission and goals.
- **Collaboration:** Collaborating with library staff on initiatives and projects.

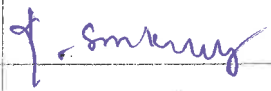

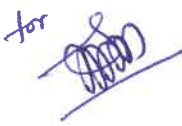

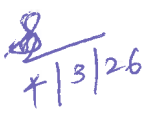

- **Professional Development:** Staying informed about best practices in library management.
- The committee typically includes representatives from various stakeholder groups, such as:
 - Faculty members from different departments.
 - Students (undergraduate and graduate), Library staff and Administrators.
